

Me at the beginning of upper secondary school

Tell about your time in secondary school. What kind of a student were you?

Which subjects went well in primary and secondary school?

At which subjects or things do you think you will be needing guidance or support in your studies? Which subjects have been the most challenging?

Why did you choose to come to upper secondary school to study? Did you think about any other options as well?

What do you think about studies in upper secondary school right now?

What good qualities, skills or traits of character have you got?

Think about the ways you work. What helps you to focus and how do you learn the best?

Will you be doing something in a different way than you did in primary or secondary school?

What do you do on your free time and how much time does it take per week?

Do you go to work alongside your studies?

On average, how many hours per night do you sleep at night during the school week? Is it enough for you?

Name three personal goals for your time in upper secondary school?

Where do you see yourself in five years?

What do you need to do in order to make your dreams come true? What helps you in fulfilling your goals?

Tell about the people that are important to you.

How much support do you get from your family or the people around you for your studies?

Are there any financial challenges in your daily life?

Do you have anything about your health or a situation in your life that the school should be aware of?
