

## 1. My PreDP Study Plan

### My languages

Which languages can you speak? List all the languages you know, start with the strongest language and continue with the next strongest language and so on.

What languages do you use at home?

### PreDP optional and additional studies

In addition to the compulsory study units, there still remains free room for students' own interest and it is advisable that the students take benefit from this opportunity.

A minimum of 56 credits is required for the Pre-DP students. If you don't study Finnish and Swedish, the minimum number of credits is 48-50.

My additional studies (possibilities: PRE\_MATH02, PRE\_MATH3, PRE\_BI02, PRE\_CHE02, PRE\_PHY02)

My optional studies (optional languages, Lyseo national side studies, university courses, special courses like drama / TYR, international projects, IB clubs...)

My special qualifications and recognition of competence:
